*"We are thrilled to be given the opportunity by the National Parks Service and Gateway National Recreation Area to oversee the redevelopment of the long dormant Bathhouse Beach Pavillion and Courtyard at Riis Park. As a first step before major renovation begins, we will be opening areas of the Bathhouse that haven't been accessible to the public for decades. The massive outdoor Courtyard and indoor Beach Pavillion will host special pop-up experiences beginning this summer. Close to a dozen mouth-watering food vendors will take up residence along the entire boardwalk expanse of the Bathhouse Pavillion. Inside the Beach Pavilion we will also offer beach chair and umbrella rentals, a beach sundries spot and a video arcade. We will also feature an outdoor beer garden on the western side of the Courtyard with free music and programming every weekend, plus beach volleyball and table tennis courts. Camp Rockaway, who ran a successful camping pilot in Fort Tilden last summer, have already started booking overnight stays in the eastern side of the sand filled courtyard. Camping now exists at Riis!*

*Lots of work lies ahead, but check out this [video](#) by Matthew Chirico for some absolutely gorgeous shots of the Bathhouse and imagine what's on the horizon. Come through to our soft open over the entire July 4th holiday week and check out all the action starting with a 4th of July party featuring DJ Misbehaviour, an opening weekend party with RPBB favorites Get Summered on July 7 and 8, followed by a very special Jonathan Toubin hosted weekend July 14 and 15. We look forward to celebrating with you!"*

#### **RPBB to open Bathhouse Beach Pavillion:**

Riis Bazaar is proud to announce the long awaited reopening of Riis Park's art deco gem, the Bathhouse Beach Pavillion, featuring food, a beer garden, vendors, music, an arcade, camping and more. Entering our 4th season at Riis Park, [RPBB](#) looks forward to bringing greater NYC more delicious food, more great programming, more local artisanal vendors and of course, more fun in the sun. The Bathhouse Beach Pavilion promises to complement RPBB's already noteworthy food, vendor and event offerings along the beautiful Riis Park boardwalk. The fun begins over the July 4 holiday week and will extend through Labor Day.
